Warranty:	12 - 3 Warranty
Includes:	4 - 6 volt 235 AH batteries Automatic battery charger 32" - 2 16" pad drivers 26" - 2 13" pad drivers

## Mid-Size Convenience

The NuSource Media is a perfect scrubber for any floor cleaning, scrubbing, recoating or stripping application. Scrub head configurations include a 32" deck utilizing 2 16" brushes or pad drivers or in a 26" model with 2 13" drivers. The 21 gallon solution tank enables the Media to perform for extended intervals between empty and fill cycles. A user friendly, ergonomically designed control panel results in minimal operator training.

## Performance

A heavy duty squeegee bracket and mounting hardware along with an aluminum squeegee and four sided squeegee blade all work together to yield exceptional solution recovery on any type of surface. Standard features include a automatic float shut off system in the recovery tank, non slip wheels, and a key switch. The Media is a real workhorse scrubber designed to perform on a daily basis with minimal maintenance and downtime.
